"Man In The Corner Shop"

Puts up the closed sign
Does the man in the corner shop
Serves his last then he says goodbye to him
He knows it is a hard life

But it's nice to be your own boss really
Walks off home, does the last customer
He is jealous of the man in the corner shop
He is sick of working at the factory
Says, it must be nice to be your own boss
(Really)

Sells cigars to the boss from the factory
He is jealous is the man in the corner shop
He is sick of struggling so hard
Says, it might be nice to own a factory

Go to church do the people from the area
All shapes and classes sit and pray together
For here they are all one for God created all men equal
