This is a modern world - This is the modern world

What kind of a fool do you think I am?  
You think I know nothing of the modern world  
All my life has been the same  
I've learned to live by hate and pain  
It's my inspiration drive -

I've learned more than you'll ever know  
Even at school I felt quite sure  
That one day I would be on top  
And I'd look down upon the map  
The teachers who said I'd be nothing -

This is the modern world that I've learnt about  
This is the modern world, we don't need no one  
To tell us what's right or wrong -

Say what you like 'cause I don't care  
I know where I am and going too  
It's somewhere I won't preview  
Don't have to explain myself to you  
I don't give two fucks about your review
