Promises shattered  
Answers don't come  
Friends say goodbye  
Plans come undone  
Dreams get crushed  
Lies get told  
Words can turn cruel  
Hearts can grow cold

### CHORUS

In a broken world where we cry to feel  
Some hope that helps these hearts to heal  
You're my strength, You're my refuge  
In a broken world, Jesus I'm holding to You

You make sense of the madness  
And make darkness flee (Yeah)  
You bring such a calm  
To the chaos in me  
Show me life  
(Show me life)  
Tell me truth  
(Tell me truth)  
Day after day I keep running to You

### CHORUS

Long ago, we fell so far  
(we fell so far)  
Yet You came to where we are  
In a broken world  
A broken world  
I will hold to you

### CHORUS

Broken world where we cry to feel  
Some hope that helps these hearts to heal  
You're my strength, You're my refuge  
In a broken world, Jesus I'm holding to You
