How many plans start with the others?
I don't wanna be just another one.
Tell me all the things that I wanna hear.
It's the stutter in your voice that makes
things very clear.

Make things very clear.
Make things very.
Make things very clear.
Make things very.
Make things very clear.

Show me the plans that you wanted to.
Use to help with your life that we can start anew.
I may seem happy in my photographs.

Please, don't be fooled by what you see
(whatever it may be).

Don't think that I'll ever get over that.
Some thing's broken inside of me.

Make things very clear.
Make things very.
Make things very clear.
Make things very.

I may seem happy in my photographs.
Please, don't be fooled by what you see.

Make things very.
Make things very clear.

I may seem happy in my photographs.
Please, don't be fooled by what you see
(whatever it may be).
Don't think that I'll ever get over that.
Some thing's broken inside of me.
