My light has been extinguished, NOW.
The light inside no longer burns bright.

Iâ€™ll be cold everyday.
Iâ€™ll wash it, Iâ€™ll wash it away.

Never surrender; never let them get into your head.
Itâ€™s my light. Itâ€™s my light.
Itâ€™s my light, remember better than them.

I will remember.

Iâ€™ll be cold everyday.
Iâ€™ll wash it, Iâ€™ll wash it away.

Never surrender; never let them get into your head.
Itâ€™s my light. Itâ€™s my light.
Itâ€™s my light, remember better than them.
Itâ€™s my light. Itâ€™s my light.
I can burn bright or douse it.

I SAID, Itâ€™s my light. Itâ€™s my light.
You can, you can fucking remember.

Life underwater. Life underwater.

Never surrender, always look for the answer.

Iâ€™m not thirsty anymore.
Iâ€™m stronger than I was before.
Iâ€™m not thirsty anymore.
Too far gone, canâ€™t see the shore.
Iâ€™m not thirsty anymore.
Iâ€™m stronger than I was before.
Iâ€™m not thirsty anymore.
