Tell me why

You were my friend
You were my one and only
I was in love with you
And now you've gone away
I don't understand
Never was I this lonely
And you're in love with him
At least that's what you say
Tell me why
Why is it when he is not around
You think of me
Why can't you see
We still belong together
And tell me now
Does he ever hold you like I do
I know it's true
Soon you will too
Baby we still belong together
Baby soon yeah..
You're still the one
I can't see why that who changed
You're my addiction
You and him it feels so strange
And tell me now
Why is it when he is not around
You think of me
Why can't you see
We still belong together
And tell me now
Does he ever hold you like I do
I know it's true
Soon you will too
Baby we still belong together
Do you miss me like I'm missing you
Now tell me
Does he ever holds you like I do
Woow
And tell me why
Why is it when he is not around
You think of me

Why can't you see
We still belong together
And tell me now
Does he ever hold you like I do
I know it's true
Soon you will too
Baby we still belong together
We still belong together ...
