The night was young and so was I
When she took me for a ride
And softly whispered in my ear
Hush now baby, don't you fear
She put a spell on me
Playing with my soul
Slowly undressing me
She made me lose control
She wanted me to wango tango all night long
Wango till the break of dawn
Taste of mango sweet and strong
She made me lose my mind
She wanted me to wango tango all around
Wango till the roof came down
Hearts on fire wild romance
Wango tango so intense
She left four weeks without a trace
Showed up with a smile on her face
Kind of magic in her eyes
Is she the devil in disguise
That night she was crying
I never leave you more
Man I was dying
When she made a move on the floor
Wango tango all night long
Wango till the break of dawn
Taste of mango sweet and strong
She made me lose my mind
She wanted me to wango tango all around
Wango till the roof came down
Hearts on fire wild romance
Wango tango so intense
The moves on the floor
Tell me I need some more
To satisfie my soul
It was a fatal attraction
Real love and affection
She made me lose control
She put a spell on me
Playing with my soul
Slowly undressing me
She made me lose control

She wanted me to wango tango all night long
Wango till the break of dawn
Taste of mango sweet and strong
She made me lose my mind
She wanted me to wango tango all around
Wango till the roof came down
Hearts on fire wild romance
Wango tango so intense
Wango tango, Yeah!
