When you walk in the room

Baby it's a dream come true
Walking right along side of you
Wish I could tell you how much I care
But I only have the nerve to stare
I can feel a new expression on my face
I can feel a glowing sensation taking place
I can hear the guitars playing lovely tunes
Everytime that you walk in the room
I close my eyes for a second and pretend
It's me you want

Meanwhile I try and act so nonchalant
I see a summer night with a magic moon
Everytime that you walk in the room
Baby it's a dream come true
Walking right along side of you
Wish I could tell you how much I care
But I only have the nerve to stare

[Dewi]

I can hear that something pounding in my brain
And everytime that someone speaks your name
Music sound and I hear loving you

[Dewi]

Everytime that you

[Jamai]

Everytime that you

[Samen]

Walk in the room

Everytime that you

Walk in the room
