**(feat. Bubba Sparxxx)**

Yeah, you know what it is, Bubba Sparxxx, Jamelia  
Me and my folks, it's some truly new southern  
copenhaniacs  
Get your head together, it's on bitch, it's on bitch  
All day long, twice on sundays

It is Bub in this club  
Jumpin' in a frenzy, ain't a lot that offends me  
Guzzle to the ? didn't break the bottle  
Things changed girl, I'm now dating models  
What can I say, she wanna play  
In her European suede, got them blown away  
From England all the way on up to Copenhagen  
I'm with Jamelia, you know we misbehavin' (oh, oh)

Me and my crew, step in the queue  
Hot shoes, short dress, time to impress  
Over to the bar, get a Vodka  
Get it free cos, I'm a superstar  
If you don't know what I'm here for  
Yo let me hit the dancefloor, oh

It's time to get some of your hands boppin', watch out  
now  
Do a little bit of that show stoppin'  
Get a couple parties out my way poppin', oh  
Tonight me and my girls be club hoppin'  
Got to get this party rockin', what  
Before we turn it in  
We go club hoppin'  
Tell me do you wanna go club hoppin', club hoppin'

Next joint blazin, fellas amazing  
Got me open, I feel like I'm smokin  
Came to break it off  
Temptation, wanna take it off  
Bolt and lock the door  
Nobody goin home  
Now get up on the dancefloor, oh

It's time to get some of your hands boppin', watch out  
now  
Do a little bit of that show stoppin', ah  
Get a couple parties out my way poppin'  
Tonight me and my girls be club hoppin', whoa, yeah  
Got to get this party rockin', what  
Before we turn it in  
We go club hoppin'  
Tell me do you wanna go club hoppin', club hoppin'  
If there's someone here who don't be feelin' on this  
joint  
you don't know, you don't know, you don't know, you  
don't know  
If there's someone here who don't be feelin' on this  
joint  
you don't know, you don't know, you don't know, you  
don't know

I know two burnin' hands, one in Alabama  
One out there in England where it's crunk this evening  
One the other side of that great big pond  
You really think a Georgia boy can't get fun  
Love the way this beautiful catty shootin' it at me  
Yeah baby girl, long as you groovin' I'm happy  
It's Bubba Sparxxx and capital triple X's  
Do your thing Jamelia, I'm really feelin' ya

Attention people, clear the floor  
Me and my girls just entered the door  
Got champagne flowin' like H2O  
And I love the ?  
I'm free for all take ya hand out your pocket  
Don't worry bout expenses tonight, J's got it  
The place to be is anywhere you see me  
Look at the time, oh shit

It's time to get some of your hands boppin', watch out  
now  
Do a little bit of that show stoppin', ah  
Get a couple parties out my way poppin'  
Tonight me and my girls be club hoppin'  
Got to get this party rockin', what  
Before we turn it in  
We go club hoppin'  
Tell me do you wanna go club hoppin', club hoppin'

It's time to get some of your hands boppin', oh, watch  
out now  
Do a little bit of that show stoppin', oh  
Get a couple parties out my way poppin'  
Tonight me and my girls be club hoppin'

Got to get this party rockin', what  
Before we turn it in  
We go club hoppin'  
Tell me do you wanna go club hoppin', haha, uh
