A diva, a leaver, a lawyer, imagine, imagine  
A fever, a vision, derision, imagine, imagine  
Someone got hurt  
Someone got high  
Someone got left behind the lies  
Someone got hurt  
Someone got high  
Some of them left the rest behind

All of your mail is unaddressed  
Cut the herman free from the hesse  
Crash, crash, crash,  
Crash, crash, crash,

A letter, a photo, etcetera, etcetera, a judas  
A hotel, a motel, a motive, imagine, imagine  
Someone got hurt  
Someone got high  
Someone got left behind the lies  
Someone got hurt  
Someone got high  
Some of them left the rest behind

All of your mail is unaddressed  
Ut the herman free from the hesse  
Crash, crash, crash,  
Crash, crash, crash,

This is hell  
This is hell  
Crash, crash, crash,  
Crash, crash, crash,  
Crash, crash, crash,  
Crash, crash, crash,  
Crash, crash, crash,  
Crash, crash, crash
