[Intro]

C'mon C'mon,  
(Wooo - ha! - uh-ohh)  
we got that spice!  
whoaa-ohhhhh  
Ohhhh  
uh-ohh

You're gonna rock to this (ah-ha)  
You're gonna drop to this (c'mon c'mon)

Ten o'clock  
Weekend, 'bout to head out to the Garden of Eden  
Got my shell toes and my cap on  
Before I hit the door I got to grab my cellphone  
'Bout to call my boys and see what's up?  
Are you rolling with this chick or what?  
Meet me at the spot  
I'll be the one round the back in the drop top

[Chorus (x 2) ]

DJ. Give me a beat i can rock to  
I want a joint you can drop to  
The ceiling is caving in  
The speakers is rumbling

Turn it up, bump the bass  
'Cause we bout to tear the roof off-a this place  
Shake ya ass  
Cheak ya glass  
Put your hands up, let the track blast  
yo, This beat's so ridiculous  
I think this dancefloor's about to bust  
Everybody on the wall  
Better press it 'cause it's about to be last call

We aint trying to leave the club  
Now let me show you how to get a crunk  
Hit the floor, lock the door  
It's time to go

[Repeat Chorus (x 2) ]

If you came to dance, clap your hands  
Ladies grab your man and  
Feel the base, go uhh-uhh  
All in your face go uhh-uhh

[Repeat Chorus (x 4) ]

Give me a beat i can  
I want a joint you can rock to  
Give me a beat i can  
I want a joint you can rock to
