Frequency dip
Sediment layers
Frequency dip
Frequency dip
Frequency dip
Sink unit
Sediment layers
Different stations
Different courses
Different stations
Different courses
(it's no reward)
Multitude of voices
A multitude of voices
(it's no reward)
Sediment layers etc.

That's you and me, folks
Some kind of
Some kind of
False hair-do
Some kind of sink unit

Blind upon blind
Frequency dip
Blind upon blind
Frequency dip
Working in different mine shifts
Working in different minds
