Are you aching for the blade
That's o.k.
Were insured
Are you aching for the grave
That's o.k.
Were insured

Were getting away with it
All messed up
Getting away with it
All messed up
That's the living

Daniel's saving grace
She's out in deep water
Hope he's a good swimmer

Daniel plays his ace
Deep inside his temple
He knows how to surf her

Were getting away with it
All messed up
Getting away with it
All messed up
That's the living

Daniel drinks his weight
Drinks like richard burton
Dance like john travolta, now.

Daniel's saving grace
He was all but drowning
Now they live like dolphins

Getting away with it
All messed up
Getting away with it
All messed up
That's the living
Getting away with it

Getting away with it
Getting away with it
That's the living
That's the living
