I'm tired of being what you want me to be
Feeling so faithless lost under the surface
Don't know what you're expecting of me
Under the pressure of walking in your shoes
(Caught in the undertow, just caught in the undertow)
Every step that I take is just another mistake to you
(Caught in the undertow, just caught in the undertow)

I've become so numb I can't feel you there
I've become so tired so much more aware
I'm becoming this
All I want to do
Is be more like me and be less like you

Can't you see that you're smothering me
Holding too tightly, afraid to lose control
Everything that you thought I would be
Has fallen apart right in front of you
(Caught in the undertow just caught in the undertow)
Every step that I take is just another mistake to you
(Caught in the undertow just caught in the undertow)
And every second I waste is more than I can take

I've become so numb I can't feel you there
I've become so tired so much more aware
I'm becoming this
All I want to do
Is be more like me and be less like you

And I know I may end up failing too
But I know that you were just like me
With someone disappointed in you
Ohhhhhhhhhhhhhhhhhhhhh

I've become so numb I can't feel you there
I've become so tired so much more aware
I'm becoming this
All I want to do
Is be more like me and be less like you

Become so numb I can't feel you there

(Tired of being what you want me to be) I'm so tired
I've become so numb I can't feel you there
(Tired of being what you want me to be)
I'm so tired tired tired

I've become so numb
I can't feel you there
I'm tired of being
What you want me to be
