Ring the bells
Wake the town
Everyone is sleeping
Shout at the crowd
Wake them up
This angers deeper than sleep.
Got to keep awake to what is happening.
I can't see a thing through my ambitions,
I no longer feel like God is watching over me
Got to tell the world we've all been dreaming
This is not the end, a new beginning
I no longer feel my God is watching over me.
Break the code.
Concentrate.
Let the doors swing open
See through all your walls
All your floors
Now you're in deeper than sleep
Got to keep awake to what is happening.
I can't see a thing through my ambitions,
I no longer feel like God is watching over me
Got to tell the world we've all been dreaming
This is not the end, a new beginning
I no longer feel my God is watching over me.
When you let me fall
Grew my own wings
Now I'm as tall as the sky
When you let me drown
Grew gills and fins
Now I'm as deep as the sea
When you let me die
My spirit's free
There's nothing challenging me.
