Oh lord I tried I have tried so damn hard to fit in  
I've worn away my edges  
And I'm looking mighty thin  
Whoops-a-daisy don't trip that wire  
Whoops-a-daisy don't touch that wire  
Whoops-a-daisy  
Whoops-a-daisy  
Whoops

I know all your soft spots  
They're the same soft spots that are in me  
If you keep on scratching  
They will flare up suddenly

Whoops-a-daisy don't touch that wire  
Whoops-a-daisy don't touch that wire  
Whoops-a-daisy  
Whoops-a-daisy  
Whoops  
Whoops  
Whoops-a-daisy  
Whoop, whoop, whoop, whoops

Don't touch that wire  
Don't touch that wire  
Don't touch that wire  
Don't touch that wire  
Don't touch that wire
