Hey, hey, hey
Hey, hey, hey

Julie says that I must wake up
I am losing touch 'cause I think too much
I'm afraid to feel, my life feels unreal
You will not find love if you think you're not good
enough

Are you ready to rebel?
Change your mind
I know you live in hell
Are you ready?

All of my beliefs, they come back to me
I think life is tough so my life is tough
She says find a way to develop love
To receive my love, believe you are good enough

Are you ready to rebel?
Change your mind
I know you live in hell
Are you ready?

Hey, hey, hey, hey
Hey, hey, hey, hey

When we forget why we're here
Out goes love, in comes fear
I need nothing, I'm all alone
I need nothing till the mind takes hold

Ho-ho-hold, ho-ho-hold
Ho-hold, oh, hold

Are you ready to rebel?
Are you ready to rebel?

Are you ready?
Are you ready?
Are you ready?
