Everyday is a long disguise  
Everyday is a compromise  
I can tell a blatant lie  
While looking you deep in your eye

Everyday I look for a sign  
What triggers your death  
Triggers mine  
We will ride together in the end

Assassin, assassin  
Show me paradise  
Life is not the same  
Assassin, assassin  
Show me paradise  
I'll never be the same

Twenty years, a loyal friend  
But now the knife is in my hand  
I can't begin to understand  
How I've been deceived

Show me visions out of time  
Greater than my stinking life  
If I serve you to the end  
I will find some peace

Assassin, assassin  
Show me paradise  
Life is not the same  
Assassin, assassin  
Show me paradise  
I'll never be the same

Baksheesh, Baksheesh  
I'd sell my sainted mother  
For another glimpse of paradise  
Baksheesh, baksheesh  
Twenty years, deep cover  
For another glimpse of your paradise

Assassin, assassin  
Show me paradise  
Life is not the same  
Assassin, assassin  
Show me paradise  
I'll never be the same  
I'll never be the same
