Here we go again,
Here we go again.
Ladies and gentlemen,
The show is just beginning.
The actors have arrived, the show is improvised,
Who are you? And when do you begin and end?

We win,,
When we snakeskin
When we dolphin,
Cha Cha Chameleon.
We win.
Stand in your shoes,
Get a sea view.
Cha Cha chameleon

Know we're not alone,
No we're not alone.
We cannot control,
How the dice rolls.
Know we're not alone,
No we're not alone,
Seperate in pain,
Connected we were whole.

We whizz,
When we snakeskin,
When we dolphin,
Cha Cha chameleon.

Here we go again,
Here we go again.
Ladies and gentlemen,
The show is just beginning.
We win, When we snakeskin,
When we dolphin,
Cha cha cha cha, ooowwww

Big girls, lost lost lost.
Signals, locked locked locked
It's getting me up off this cross.

Kicked and refused,
Shadows house, mock mock mock.
Referee, stop stop stop.
Give me a paradox,
Win when I lose.
Brother don't box me in,
My space is wearing thin.
Do I hold one bag of skin?
Must be dreaming.
Geniuses, eye hawk hawk
Spin like a top top top
Freezing cloud
Tick-tock
Eat what I chew

We win,
When we snakeskin,
When we dolphin,
Cha cha chameleon.
We win,
Stand in your shoes,
Take a sea view,
Cha Cha Chameleon.
