Frequency dip  
Sediment layers  
Frequency dip  
Frequency dip  
Frequency dip  
Sink unit  
Sediment layers  
Different stations  
Different courses  
Different stations  
Different courses  
(it's no reward)  
Multitude of voices  
A multitude of voices  
(it's no reward)  
Sediment layers etc.

That's you and me, folks  
Some kind of  
Some kind of  
False hair-do  
Some kind of sink unit

Blind upon blind  
Frequency dip  
Blind upon blind  
Frequency dip  
Working in different mine shifts  
Working in different minds
