Are you aching for the blade

That's o.k.

We're insured

Are you aching for the grave

That's o.k.

We're insured

We're getting away with it all messed up

Getting away with it all messed up

That's the living

Daniel's saving Grace

She's out in deep water

Hope he's a good swimmer

Daniel plays his ace

Deep inside his temple

He knows how to serve her

We're getting away with it all messed up

Getting away with it all messed up

That's the living

We're getting away with it all messed up

Getting away with it all messed up

That's the living

Daniel drinks his weight

Drinks like Richard Burton

Dance like John Travolta, now.

Daniel's saving Grace

He was all but drowning

Now they live like dolphins

We're getting away with it all messed up

Getting away with it all messed up

That's the living
We're getting away with it all messed up
Getting away with it all messed up
That's the living
Getting away with it
Getting away with it
That's the living
That's the living
