Where is the love  
Where is the love  
Where is the love  
That everyone is talking of  
Where is the love  
Where is the love  
That everyone is dreaming of

Come to bed  
Come to bed  
Come to bed  
I cannot sleep in all this heat  
Come to bed  
Come to bed  
This terror's all within my head

Don't be deceived, no land in sight  
We're all adrift in this dark night  
We float on seas of disbelief  
While singing songs of pain relief

Shake my body - release my soul  
Punish my senses - lose control  
This body's young but my spirit's old  
Scatter my ashes and let my feelings go

Where is the love  
Where is the love  
Where is the love  
That everyone is talking of  
Where is the love  
Where is the love  
That everyone is dreaming of

Don't be deceived, no land in sight  
We're all adrift in this dark night  
We float on seas of disbelief  
While singing songs of pain relief

Shake my body - release my soul  
Punish my senses - lose control  
This body's young but my spirit's old

Scatter my ashes and let my feelings go

Shake my body - release my soul

Punish my senses - lose control
