"Oh My Heart"

Adore this life
There is no guarantee
Could end by tomorrow
Adore every fight

An opportunity
To give back what was borrowed
Nothing's sacred, make it shatter
Nothing's sacred, fall apart

Oh my heart, oh my heart
Come on, break me in two
Oh my heart, oh my heart
Come on, break me in two

Bring on the dreams
I'm shaking with relief
Don't miss the darker scenes

These roller coaster screams
Are breaking my belief

That I should matter

Oh my heart, oh my heart
Come on break me in two
Oh my heart, oh my heart
Come on break me in two

I don't own anything
Just this life living me
No control, refugee
Just this life living me

I don't know anything
Just this life loving me
No control, refugee
Just this life, living me

Oh my heart, oh my heart
Come on break
Come on break

Come on break
