I've been shot
In the wherewithals
And I don't think I can stop
From all this hullabaloo

Mary Jane's
On the game again
Serotonin's all I use
I just wish it were true

Don't treat me like a God
Treat me like a dog
I'll come home to you, to you
To you

I'm addicted to you
You're my love, my senorita
I'm addicted to you
Hope we're gonna pull through

I'm addicted to you
You're the love that makes me younger
I'm addicted to you
I hope we can pull through
Pull through

Sing a prayer
Lonely nights are here
If I can't square my fears
With what I wanna do

Don't treat me like a God
Treat me like a dog
I'll come home to you, to you
To you

I'm addicted to you
You're my love, my senorita
I'm addicted to you
I hope we can pull through

I'm addicted to you

You're the love that makes me stronger
I'm addicted to you
I hope we gonna pull through
Pull through

I'm addicted to you
You're my love, my senorita
I'm addicted to you
I hope we can pull through

I'm addicted to you
You're the god that makes me stronger
I'm addicted to you
I hope we can turn blue
Turn blue

Senorita es mi vida
