I sing myself to sleep  
A song from the darkest hour  
Secrets I can't keep  
Insight of the day

I swing from high to deep  
Extremes of sweet of sour  
Hope that God exists  
I hope I pray

Drawn by the undertow  
My life is out of control  
I believe this wave will bear my weight  
So let it flow

Oh sit down Oh sit down Oh sit down  
Sit down next to me  
Sit down down down down down in sympathy

Now Iâ€™m relieved to hear  
That youâ€™ve been to some far out places  
Itâ€™s hard to carry on  
When you feel all alone  
Now Iâ€™ve swung back down again  
Itâ€™s worse than it was before  
If I hadnâ€™t seen such riches  
I could live with being poor

Oh sit down  
Oh sit down

Oh sit down  
Sit down next to me  
Sit down, down, down, down, down  
In sympathy

Those who feel the breath of sadness  
Sit down next to me  
Those who find theyâ€™re touched by madness  
Sit down next to me  
Those who find themselves ridiculous  
Sit down next to me

In love, in fear, in hate, in tears  
In love, in fear, in hate, in tears  
In love, in fear, in hate, in tears  
In love, in fear, in hate

Down  
Down

Oh sit down  
Oh sit down  
Oh sit down  
Sit down next to me  
Sit down, down,down,down, down  
In sympathy

Oh sit down  
Oh sit down  
Oh sit down  
Sit down next to me  
Sit down,down,down,down,down  
In sympathy

Down
