Falling, falling into you,

Falling, no parachute,  
You lost all self-control,

We don't know,

Which way you might go,

I found a map you left,

No use,

Can't tell east from west.  
Heading out on this mercy trail,

You look so strong,

Feel so frail,

Need a friend in this barren land,

All your approaches have failed,

Hope you come through.  
Falling, falling into you,

Falling, no parachute,  
Are you receiving me,

Read my lips,

A foreign language,

I'm not deceiving you,

Take my hand,

It's a bridge.  
Heading out on this mercy trail,

You look so strong,

Feel so frail,

See the world through a preachers eyes,

Now all of your preaching has failed,

Hope you come through&ldots;..  
Someone has stolen your horse,

Hitch a ride cos it's far too far to walk.  
Someone has stolen your horse,

Hitch a ride cos it's far too far to walk.  
Someone has stolen your horse,

Hitch a ride cos it's far too far to walk.  
Someone has stolen your horse,

Hitch a ride cos it's far too far to walk.  
Na, Na, Na, Na etc.
