I see you falling
how long to go before you hit the ground
You keep on screaming
Don't you see me here.. am I a ghost to you?

Now your grips too strong
You can't catch love with a net or a gun
Gotta keep faith that your path will change
Gotta keep faith that your luck will change tomorrow
tomorrow,
tomorrow

Why are you phoning
What am I to do when you're miles away
You're always calling
From the darkest rooms... and we're both scared

Now your grips too strong
You can't catch love with a net or a gun
Gotta keep faith that your path will change
Gotta keep faith that your luck will change

Now your grips too strong
Can't catch love with a net or a gun
Gotta keep faith that your path will change
Gotta keep faith that your luck will change,

Tomorrow..
I'm just out of your range
tomorrow
all your suffering's in vain
tomorrow
lalala

Now your grips too strong
You can't catch love with a net or a gun
Gotta keep faith that your path will change
Gotta keep faith that your love will change tomorrow

I'm out of your range
tomorrow

all your suffering seems vain, change
tomorrow
some forgiveness now
tomorrow
love's no sacred cow
