How many lives to set you free?
Cats got nine, eight more than me
Near to death when i was 23 All i felt was peace

Am i a man or am i machine?
Punch me in, my clock is ticking
On my knees i count my rosary
Wiping my slate clean

Tell me,who are you?
Tell me,who are you?
Tell me,who are you?
Tell me,who are you?

Mother sing me lullaby
Stroke my head and tell me not to cry
Tell me everything will be alright
Tell me, who am i?

Im a sinner i believe
Self control is killing me
Too much choice, i crave simplicity
Too much structure, spontinaty
In my hive im just another bee
Trying to be myself

Tell me,who are you?
Tell me,who are you?
Tell me,who are you?
Tell me,who are you?

Warning, coming down
Warning, coming down
Coming down over you

Warning, coming down
Warning, coming down
Coming down over you

Warning, coming down
Warning, coming down
Coming down over you

(repeat to fade)
