I can remember  
Not too long ago  
I couldn't find my way

I didn't know  
Of a place to go  
You came along one day  
And now with you here to guide me  
Stand close beside me  
And fill all my hours with day  
I'm gonna trade in my sorrow  
For each bright tomorrow  
And throw all my worries away

Oh I can remember  
Not too long ago  
I wanted to run away  
While I was looking  
For a place to go  
I found you  
That day

And now with you here to guide me  
And stand close beside me  
And fill all my hours with day  
I'm gonna trade in my sorrow  
For each bright tomorrow  
And throw all my worries away

And now with you here to guide me  
And stand close beside me  
And fill all my hours with day  
I'm gonna trade in my sorrow  
For each bright tomorrow  
And throw all my worries away

Mmhmm mmhmmm mmmmm...
