James Baum Locked In Love Lyrics

I cant recognize who iam  
when i'm lookin in a mirror(mirror, no, no ,no ,no)  
shackled by the love i have for you  
and i know that u feelin the same  
we were once both 2 beautiful minds  
attracted to each other  
the differences that we had  
somewhere along the line we kinda lost out way

(Bridge:)

so im not just gonna sit around  
and let u forget what we were  
once there was strength in being together  
we need to find keys out of this prison

(chorus:)

locked in a prison  
in a prison i know that we made  
ohhhhoo ohhhoo ooo  
why cant we be like the birds an the bees  
livin for each day  
locked in love, your love, my love, it's our love  
it's such a shame uhoo uhoo uhoo

(verse2)

i cant remember the moments  
we shared  
when im staring at the pictures  
no no no noooo  
the ones we hung on the wall  
why cant we be like that today(today,today)  
we we're once both glowing with love  
drawn into each other(lovin every moment we spent)  
(what can we do to recover that)  
how did we get so blind  
how do we find a way

(Bridge:)

but i'm not just gonna sit around  
and let u forget what we were  
once there we're straight in being together  
we need to find keys out of this prison  
(chorus:)

locked in a prison  
in a prison i know that we made  
ohhhhoo ohhhoo ooo  
why cant we be like the birds an the bees  
livin for each day  
locked in love, your love, my love, it's our love  
it's such a shame uhoo uhoo uhoo

how it ended up this way  
woohow nooooo  
(bridge:)

how it ended up this way  
woohow nooooo  
i dont wanna let this go  
nooo ooooo ooo  
(i dont wanna let this go)  
(i dont wann let it fade)  
(i dont wanna walk away)  
(but i cant carry on this way)

(i dont wanna let this go)  
(i dont wann let it fade)  
(i dont wanna walk away)  
(but i cant carry on this way)  
(chorus:)

locked in a prison  
in a prison i know that we made  
ohhhhoo ohhhoo ooo  
why cant we be like the birds an the bees  
livin for each day  
locked in love, your love, my love, it's our love  
it's such a shame uhoo uhoo uhoo  
how it ended up this way  
how it ended up this way  
i dont know  
i dont know  
and i dont know why

mhhhh mhhhhh
