Beautiful dawn, lights up the shore for me  
There is nothing else in the world  
I'd rather wake up and see with you

Beautiful dawn, I'm just chasing time again  
Thought I would die a lonely man, in endless night  
But now I'm high running wild among all the stars  
above  
Sometimes it's hard to believe you remember me

Beautiful, dawn melt with the stars again  
Do you remember the day when my journey began?  
Will you remember the end of time?  
Beautiful dawn, you're just blowing my mind again  
Thought I was born to endless night, until you shine

High running wild among all the stars above  
Sometimes it's hard to believe you remember me

Will you be my shoulder when I'm gray and older?  
Promise me tomorrow starts with you  
Getting high running wild among all the stars above  
Sometimes it's hard to believe you remember me

High running wild among all the stars above  
Sometimes it's hard to believe you remember me
