When you wake up
Turn the radio on
And you'll hear this simple song

That I made up
That I made up for you

When you're driving
Turn the radio up -----> should be: Turn your
radio up
Cause I can't sing loud enough
Hard these days
To get my message through

If time is all I have
I'll waste it all on you

Each day I'll turn it back
It's what the broken-hearted do
I'm tired of talking to an empty space
Of silences keeping me awake

When you marry
And you look around
I'll be somewhere in that crowd
Torn up, that it isn't me -----> should be:
Torn up, 'cause it isn't me

When you're older -----> should be: When we're
older
The memories fade -----> should be: And the
memories fade
But I know I'll still feel the same

For as long as I live

But if time is all I have
I'll waste it all on you

Each day I'll turn it back
It's what the broken-hearted do
I'm tired of talking to an empty space

Of silences keeping me awake

Won't you say my name, one time
Please just say my name

But if time is all I have
I'll waste it all on you
Each day I'll turn it back
It's what the broken-hearted do
I'm tired of talking to an empty space
Of silences keeping me awake

If time is all I have
I'll waste it all on you

Each day I'll turn it back
It's what the broken-hearted do
I'm tired of talking to an empty space
Of silences keeping me awake

Won't you say my name -----> should be: Won't
you say my name, one time
When the song is over
