

James Blunt

"Lovelovelove"

Visit "[Lovelovelove](#)" on MotoLyrics.com

I'm not looking for us, and neither should you
absolutely gorgeous
then nothing I say is true
you won't find yourself in these guilty eyes.

'cause I love anybody who's fool enough to believe,
and you're just one of many who broke their heart on
me
and so I say I don't love you,
though it kills me.
It's a lie that sets you free

love love love
I can't take your love love love
and so I say I don't love you,
though it kills me.
It's a lie that sets you free

I will wrap my body in other women's arm
make love in a hurry
feel better than I am.
Hope you find yourself in someone else's eyes

'cause I love anybody fool enough to believe,
and you're just one of many who broke their heart on
me
and so I say I don't love you,
though it kills me.
It's a lie that sets you free

love love love
I can't take your love love love

and so I say I don't Love you,
'cause I love anybody fool enough to believe,
and you're just one of many who broke their heart on
me
and so I say I don't love you,
though it kills me
'cause it's a lie

'cause I love anybody fool enough to believe,

and you're just one of many who broke their heart on
me
and so I say I don't love you,
though it kills me.
It's a lie that sets you free

It sets you free
