Marie

By:Schamaine Armstrong

There's Marie

There she goes

She was my girlfriend

But now she's in love with someone els

I don't know what went wrong

We were so in love or so I taught

And now she's going away

With my best friend

And I don't know when this is going to end

[CHORUS]

Marie please don't go

I'm not gonna stand this Marie

I just can't stand this Marie

Ho Marie baby I trusted you

And baby I believe you

When you said that you would never leave

Marie how could you treat me this way

When you said I was the one for you

Marie how could you treat me this way

When you know that my love is true

[CHORUS]

Marie please don't go

I'm not gonna stand this Marie

I just can't stand this Marie

I didn't know all of this was going down

I guess I was away for too long

I didn't know that you were cheating on me

Marie how could you treat me this way

Whe you know that I'm in love with you

Marie how could you treat me this way

After everything that we've been through

[CHORUS]

Marie please don't go

I'm not gonna stand this Marie

I just can't stand this Marie

Marie please don't go  
I'm not gonna stand this Marie  
(I'm not gonna)

I just can't stand this Marie  
(Said I'm not gonna)

I just can't stand this Marie  
(Girl I'm not gonna)

I'm not gonna stand this Marie  
(No I'm not gonna)

I'm not going to stand this Marie  
(Girl I'm not gonna)

I just can't stand this Marie
