I have been rejected before
Trying to get another one to come in through my door
She said
I like it here
But your not gonna score
I'm not gonna let you sleep with me anymore

And here we go again
I'm starting on my own
26 years
apart for one
And I'm standing all alone
I'm not that bad
In my
In my heart

I am guilty
And of that I confess
I have been thinking of another girl in obsess
I am sorry if it causes distress
But I never loved you
I never loved you

And here we go again
I'm starting on my own
26 years
apart for one
And I'm standing all alone

And here we go again
I'm starting on my own
26 years
apart for one
And I'm standing all alone
I'm not that bad
In my
In my heart

You can judge me
If you know me so well
I can't change my spots

And won't brake out of my shell
They will commit me
To a lifetime in hell
But
I can't remember where my innocence fell

And here we go again
I'm starting on my own
26 years
apart for one
And I'm standing all alone
Whoaaa
And here we go again
I'm starting on my own
26 years
Apart for one
And I'm standing all alone
I'm not that bad
In my
In my heart

I'm not that bad
In my
In my heart

I'm not that bad
In my
In my heart

I'm not that bad
In my

And here we go again
I'm starting on my own
26 years
apart for one
And I'm standing all alone
Whoaaa
And here we go again
I'm starting on my own
26 years
apart for one
I'm standing all alone
I'm not that bad
In my
In my heart

I'm not that bad
In my
In my heart

In my heart

In my
