Wooooah, Wooooah, Wooooahh, hey!

It's 72 degrees, zero chance of rain  
It's been a perfect day  
We're all spinning on our heels, so far away from real  
In Californ-i-a

We watched the sunset from our car, we all took it in  
And by the time that it was dark, you and me had  
something, yeah!

And if this is what we've got, then what we've got is  
gold  
We're shining bright and I want you, I want you to know  
The mornin's on it's way, our friends all say goodbye  
There's nowhere else to go, I hope that you'll stay the  
night

Wooooah, you'll stay the night, wooooah yeah

We've been singing Billie Jean  
Mixing vodka with caffeine  
We've got strangers stopping by  
And though you're out of tune  
Girl you blow my mind, you do  
And all I'll say is I don't wanna say good night

There's no quiet corner to get to know each other  
And there's no hurry I'm a patient man  
As you'll discover  
Cause if this is what we've got, then what we've got is  
gold  
We're shining bright and I want you, I want you to know  
The mornin's on it's way, our friends all say goodbye  
There's nowhere else to go, I hope that you'll stay the  
night

wooooah, you'll stay the night, wooooah yeah

Just like the song on our radio set  
We'll share the shelter of my single bed  
But it's a different tune that's stuck in my head

And it goes...

If this is what we've got, then what we've got is gold  
We're shining bright and I want you, I want you to know  
The mornin's on it's way, our friends all say goodbye  
There's nowhere else to go, I hope that you'll stay the  
night

If this is what we've got, then what we've got is gold  
We're shining bright and I want you, I want you to know  
The mornin's on it's way, our friends all say goodbye  
There's nowhere else to go, I hope that you'll stay the  
night
