Tender was my lover from the suburbs of town  
We were sweethearts from college she was always  
around  
We were good for each other but some things they just  
don't work out

There were tears in my eyes when she walked away  
We had plans to get married some day  
But the promises were broken before they were even  
made

Now I'm dancing with a broken heart  
Ain't no doctor who can make it start  
These are the words that I'll never gonna say again  
'cause I've given till I've given up  
One more casualty of easy love  
These are the words that I'll never gonna say again

Tender was my lover, god I miss her embrace  
And I wonder who it is that puts a smile on her face  
I recall the way she feels and oh I recall the way she  
tastes

If I could hold her now then all that I'd see'd  
remind me of childhood memories  
She was the first day of summer, yeah that girl, that  
girl's for me  
Now I'm dancing with a broken heart  
Ain't no doctor who can make it start  
These are the words that I'll never gonna say again  
'cause I've given till I've given up  
One more casualty of easy love  
These are the words that I'll never gonna say again

And these are the words that I say to your picture  
These are the words that I say in a dream  
These are the words that I wish I'd said to you  
When you were standing here next to me

Because I've given till I've given up  
One more casualty of easy love  
These are the words that I'll never gonna say again

Oooh now I'm dancing with a broken heart  
Ain't no doctor who can make it start  
These are the words that I'll never gonna say again

Now I'm dancing with a broken heart  
Ain't no doctor who can make it start  
These are the words that i'll never gonna say again
