Ooh, ooh

With your feet in the air and your head on the ground
Try this trick and spin it, yeah
Your head will collapse and there's nothing in it
And you'll ask yourself

Where is my mind?
Where is my mind?
Where is my mind?

Way out in the water
See it swimmin'

I was swimmin' in the Carribean
Animals were hiding behind the rocks
Except the little fish
And they told me I should ask myself

Where is my mind?
Where is my mind?
Where is my mind?

Way out in the water
See it swimmin'?

With your feet in the air and your head on the ground
Try this trick and spin it, yeah
Your head will collapse and there's nothing in it
And you'll ask yourself

Where is my mind?
Where is my mind?
Where is my mind?

Way out in the water
See it swimmin'?

Ooh
Ooh
Ooh
Ooh
