Have mercy, mercy, baby  
I know I done you wrong  
Have mercy, mercy, baby  
I know I done you wrong

My heart is full of sorrow  
Take me back where I belong

I've been good for nothing  
I've lied and cheated too  
I've been good for nothing  
I've lied and cheated too

Been reaping all all my sorrow  
I don't know what to do

Lord, have mercy, baby  
Tell me, what have I done wrong  
Have mercy, mercy, baby  
Tell me, what have I done wrong

Been reaping all all my sorrow  
Take me back where I belong  
Oh, yeah, yeah

So, have mercy, mercy, baby  
I know I done you wrong  
Oh, have mercy, baby  
I know I done you wrong

But my heart is full of sorrow  
Take me back where I belong

I've been good for nothing  
I've lied and cheated too  
I've been good for nothing  
I've lied and cheated too

Been reaping all all my sorrow  
Tell me what I'm supposed to do
