(Skip Ewing/D. Sampson)

There's a house on a hill
That I never will buy
Cause I ain't that well to do
So just get me a shanty
Honey, I'll be fine
As long as I've got you

No you can't buy lovin'
With a dollar bill
Least not the kind that's true
I don't love money and I never will
As long as I've got you

Long as I got you and all your love
I got all I need
I'll never want for anything
Just as long as you're with me
Well the back downtown
Turned me down like they always do
Well honey I don't care
I'm a millionaire
As long as I've got you

Now I don't really care what the rich folk say
Let 'em talk until they're blue
Got my help and I'm happy
And I'll be okay
Just as long as I got you

If I don't have a jet
Or a Rolls or a yacht
Or a house in Mailbu
Well I live like a King
Doin' any old thing
As long as I got you

Long as I got you and all your love
I got all I need
I'll never want for anything
Just as long as you're with me

Well the back downtown
Turned me down like they always do
Well honey I don't care
I'm a millionaire
As long as I've got you

Well I waste not, want not
I live a good life
That's a poor boys point of view
Well I don't need nothin'
In the whole wide world
As long as I've got you

No I don't need nothin'
In the whole wide world
As long as I've got you
