I lost someone, my love  
Someone who's greater  
Than the stars above  
Someone who I need  
Someone who don't  
Let my heart bleed

Someone that's the one  
That's the someone  
That's the someone that I lost

Don't go to strangers  
Come on home to me  
I love you tomorrow  
I love you today

Help me, help me  
I'm so weak  
Gee whiz, I love you  
I'm so weak  
I love you tomorrow

I, I lost someone  
A million to one  
Ten thousand people  
Under my false sun  
Who need someone

Someone, the only one  
That someone who needs someone  
I need someone to care for  
Care for, just that someone

I love you tomorrow  
Like I love you today  
I'm so weak, don't  
Don't take my heart away

Come on, come on  
Gee whiz, I love you  
And don't go strangers

Come on home to me  
Come on home to me
