Fellas (yeah)
A brand new funk
(Tell us about it)
Brand new funk

I you wanna get down with a bird
This is the way you do it
Walk up and rap to her
Put your hand on the lower level
(Come on now) you know

This is what you rap to her
I mean, come on like you should
Come on with your come on

Gimme, gimme your thing
(What you say) gimme
(What you say) gimme my thing
(What you say) gimme
(What you say) gimme my thing
(What you say) feels so good
(What you say) let's get it on
(What you say) gimme

(What you say)
Make it stone to the bone
(What you say) gimme my thing
(What you say) gimme
(What you say) gimme my thing
(What you say) baby
Got just what I want, ow

Gimme, gimme my thing
(What you say) gimme
(What you say) gimme my thing
(What you say) gimme
(What you say) gimme my thing
(What you say) baby
(What you say) just gimme
Some more (what you say)

Squeeze me, hold me, roll me
Make me, make me scream
Make me feel, gimme my thing

(What you say) gimme
(What you say) I need you, baby
(What you say) need you now
(What you say) I don't care
(What you say) what mama don't like
(What you say) give it to me
(What you say) anyhow

(What you say) gimme
(What you say) gimme my thing
(What you say) what you got
(What you say) what I need
(What you say) what you need
(What you say) what I got

(What you say) make me feel
(What you say) body hot
(What you say) gimme
(What you say) gimme my thing
(What you say) taking off my shirt
(What you say) bout to
Work me to death

(What you say) gimme
(What you say) gimme my thing
(What you say) gimme
(What you say) ooh, ooh, ooh

(What you say) baby
(What you say) baby
Gimme my thing
Gimme, gimme, gimmie, gimmie
Gimme, hey Lord, babe

What you need is what I got
Give it up, baby, body hot
I wanna be satisfied
Keeping it all inside

So gimme, gimme my thing
Gimme, I said gimme my thing
Oh, God, gimme my thing
Help my close, help me close
If you don't help me
I'll do it myself

(What you say) gimme

(What you say) gimme my thing

Gimme, gimme, gimme, gimme
(What you say) gimme, gimme
Gimme, gimme (what you say)
Gimme, gimme, gimme, gimme
(What you say) gimme, gimme
Gimme, gimme (what you say)

(What you say) gimme
(What you say) gimme my thing
You're so good, you're so nice
You're so fine, ow, ow, gimme
