Play that funky music

Yeah hey

Hey

Once there was a boogie singer  
Playing in a rock and roll band  
I never had no problems, yeah  
burnin'out the one night stands  
And everything around me  
Got to start to feeling so low  
And I decied quickly, yes is did  
To disco down and check out this show

Yeah there was dancing  
And singing  
And moving to the grooving  
And just when it hit me  
Somebody turned around  
And shouted

Play that funky music white boy  
Play that funky music right  
Play that funky music white boy  
Lay down the boogie and play that funky music til you  
die  
Til you die?  
(Yeah)  
Oh til you die

I tried to understand this  
I thought that they where out of their minds  
How could I be so foolish, how could I  
To not see I was the one behind  
So still I kept on fighting  
Loosing every step of the way  
(And what you do?)  
I said I must go back there, got to go back  
And check to see if things still the same

Yeah there were dancing

And singing  
And moving to the grooving  
And just when it hit me  
Somebody turned around  
And shouted

Play that funky music white boy  
Play that funky music right  
Play that funky music white boy  
Lay down the boogie and wear that funky music til you  
die  
Til you die?  
(Yeah)  
Oh til you die

Hey, wait a minute  
Now first it wasn't easy  
Changing rock and roll and minds  
And things were getting shaky  
I thought I had to leave it behind  
Now it's so much better, it's so much better  
I'm funkying out in every way  
But I'll never lose that feeling, no I won't  
On how I learned my lesson that day

Yeah there were dancing  
And singing  
And moving to the grooving  
And just when it hit me  
Somebody turned around  
And shouted

Play that funky music white boy  
Play that funky music right  
Play that funky music white boy  
Lay down the boogie and play that funky music til you  
die  
Til you die?  
(Yeah)  
Oh til you die

They shouted  
Play that funky music  
Play that funky music  
Play that funky music  
Play that funky music

Play that funky music white boy  
Play that funky music right  
Play that funky music white boy  
Play that funky music right

Play that funky music white boy
