Once I was a boogie singer
Playin' in a Rock & Roll Band
I never had no problems
Burnin' down the night stands

And everything around me,
Got to stop to feelin' so low
And I decided quickly,
Yes I did
To disco down and check out the show

Yeah they were
Dancin' and singin'
and movin' to the groovin'
And just when it hit me somebody turned around and
shouted
Play that funky music white boy
Play that funky music right
Play that funky music white boy
Lay down that boogie and play that funky music till you
die
Till you die ,
oh till you die

I tried to understand this
I thought that they were outta there minds
How could I be so foolish
To not See I was the one behind

So still I kept on fighting
Loosing every step by the way
I said, I must go back there
In Jackessee still the things are the same

When they were
Dancin' and singin'
and movin' to the groovin'
And just when it hit me somebody turned around and
shouted
Play that funky music white boy
Play that funky music right

Play that funky music white boy
Lay down that boogie and play that funky music till you
die
Till you die,
oh till you die

SOLO

At first it wasn't easy
Changed in Rock'n'Roll at mind
The things won't get 'n shaking
I thought I have to leave it behind

But now it's so much better
I'm funkign out and out by the way
Well, I'll never lose that feeling
How I learned by lesson yeahea

When they were
Dancin' and singin'
and movin' to the groovin'
And just when it hit me somebody turned around and
shouted
Play that funky music white boy
Play that funky music right
Play that funky music white boy
Lay down that boogie and play that funky music till you
die
Till you die,
oh till you die

That's all
Play that funky music...
Play that funky music white boy
Play that funky music right
Play that funky music white boy
Play that funky music right
Play that funky music white boy
Play that funky music right
Play that funky music white boy
Play that funky music right
