Watch me, watch me
I got it, watch me
I got it, hey

I got something that
Makes me wanna shout
I got something that tells me
What it's all about

I got soul and I'm super bad
I got soul and I'm super bad

Now I got a move
That tells me what to do
Sometimes I tease

Now I got a move
That tells me what to do
Sometimes I feel so nice
I wanna try myself with you

I got soul and I'm super bad
I'm a lover, I love to do my thing
And I don't need no one else
Sometimes I feel so nice, good God
I jump back, I wanna kiss myself

I got soul and I'm super bad
Hey, I said I'm super bad
Bridge, come on

Up and down
And round and round
Up and down, all around

Right on, people
Let it all hang out
If you don't
Brothers and sisters
Then you won't know
What it's all about

Gimme, gimme, gimme, gimme
Gimme, gimme, gimme, yeah
Come on

I got the something
That makes me wanna shout
I got that thing that
Tells me what it's all about

I got soul and I'm super bad
