Ow, there it is

Hey, soul, soul  
Need a taste  
Mine is right, yeah  
In the right place

You're doing your do  
Like you want to be  
Give up trying to  
Run a game on me

Then dig it  
From the real side  
Stand, sure nuff  
Be satisfied

Meet at the big house  
Get down  
Let everybody know  
Let everybody know

My main squeeze  
Just hit the town  
Get up, do  
Do what you can

Get up, do what you can  
For the world to see  
Games don't mean  
Nothing to me

You can't run  
A game on me  
Don't mean a thing to me  
Don't mean a thing

Hey, hit it  
Come on, uh

Wipe the sweat

Gonna have some fun  
Time's getting short  
We got to move  
But in the meantime  
Mama, we got to groove

Hey, long as you see  
Can't run a game on me  
Long as you see  
Games don't mean  
A thing to me  
Long as you see

Hey, hey, hey  
Hit it

Hit it, hit it  
Hit it, hit it  
Hit it

Then dig it  
From the real side  
Stand, sure nuff  
And de satisfied

Meet at the big house  
Where we all get down  
Let everybody know

The main man  
Just hit the town  
Got a main man  
We got a main man  
I got the main man

And get up, do what you can  
Get up, do what you can  
You can't run a game  
Mean nothing to me

Get up, do it  
Get up, do it  
You got to know it  
So you can do it

Laying the cut  
Gang gonna do it  
Hey, hit it...

(More of the same, etc)...
