What ever happen in here I don't know
And the catch is upside down our lives are broken
It was like any other ordinary morning
And then she came at me without a warning
Don't you blame me, she's gone crazy

She did karate on my heart, Judo on my soul and then
she let me go,
She did karate on my heart, Judo on my soul and then
she let me go,
She really cut me up inside, I just wanna run and hide,
What is going on with her [I don't know]
She did karate on my heart, Judo on my soul and then
she let me go [let me go]

She really cut me inside, it's hard to admit that,
My hands are shaking I'm dizzy from the impact,
It's really taking a while for it to sink in
I'm trying to understand what was she thinking
Don't you blame me, she's gone crazy

She did karate on my heart, Judo on my soul and then
she let me go,
She did karate on my heart, Judo on my soul and then
she let me go,
She really cut me up inside, I just wanna run and hide,
What is going on with her [I don't know]
She did karate on my heart, Judo on my soul and then
she let me go [let me go]

It hurts inside and it crossed my mind,
I didn't know I had these kind of feelings

She did karate on my heart, Judo on my soul and then
she let me go,
She did karate on my heart, Judo on my soul and then
she let me go,
She really cut me up inside, I just wanna run and hide,
What is going on with her [I don't know]
She did karate on my heart, Judo on my soul and then
she let me go [let me go]
