When your babe and you are tight  
And everything you say or do is mellow  
She keeps everything alright  
And you know that you're the only fellow

Ain't that a groove?  
Ain't that a groove?  
Ain't that a groove?  
Ain't that a groove?

Now look here fellows  
Girls like to be in a mood  
Whenever they think their man is yellow  
Hit me band, you'll fight real hard  
To make things right 'cause he's the only fellow

Now ain't that a groove?  
Ain't that a groove?  
Do you hear me people?  
Ain't that a groove?  
Ain't the a groove?

Look you here, I want to know  
Do you love me? Yes, I love you  
One more time, do you love me?  
Yes, I really, really do

Do you love me ,baby? Yes, I love you  
I just gotta, gotta, gotta, gotta  
Gotta, gotta, gotta, gotta know

Hit me band  
One more time

Look here, I got to tell you, dig this  
This will kill you  
A little piece of money and plenty of love  
Will keep everything together, come on, band  
Well, forget about the money  
Plenty of love and ain't that mellow

Now ain't that a groove? It's go groovy

Ain't that a groove? It's so groovy  
Ain't that a groove? It's so groovy  
Hey, ain't that a groove

Look here, I'm not gonna talk all day  
But I, I wanted to get the feeling  
One more time  
Hit me band, listen to that band
