Fellows, can I get into it?  
Can I get into it?  
Can I pull a sheet off 'em  
Can I get into it  
Can I tell 'em about escape-ism

Ain't it good to you?  
Ain't it good to you?  
Ain't it good to you?  
Ain't it good to you?

Said Byrd I wanna get down  
Byrd I need to get down  
Can I get down?  
Can I get down?  
Can I get down?  
Can I get down?  
Oh can I get down?  
Get

Ain't it good to you?  
Ain't it good to you?  
Ain't it good to you?  
Ain't it good to you?  
Ain't it good to you?  
Bad brother, rap down a little bit right here

Man, you know, we better take it on the LAM  
You better watch the man  
Say it again brother, say it again, say it again  
"I said we better take it on the LAM"  
Say it again  
"I said we better take it on the LAM"  
You better watch the man

You got your eyes on the Fred  
Fred Wesley, give him a big round of applause, Fred  
Wesley  
Bobby Byrd, brother Bobby Byrd  
Bobby Byrd, ladies and gentleman  
Byrd, you think we're talkin' too loud  
Make that fuss

I ain't got no dust  
Bobby Byrd, I said Byrd  
Yeah  
Can I get down on the organ  
Come on down  
Can I get down  
Come on over and get down  
All the way  
All the way  
I see you're tryin' to please [Incomprehensible]

Can I get down  
[Incomprehensible]  
You're gonna let me get down  
[Incomprehensible]  
You're gonna let me get down  
[Incomprehensible]  
You're gonna let me get down  
You're gonna let me get down  
Get on down  
You're gonna let me get down  
Get on down
