Everyday, everyday, everyday I have the blues
Everyday, everyday I have the blues
Because it's you darlin', it's you I hate to lose

Nobody loves me, nobody don't care
I don't believe they love me, nobody seems to care
Bad luck trouble baby, I've had my share

I'm gonna pack my suitcase, move on down the line
Get my grip, my shoes and my hat and move on down
the line
Everybody standin', shoutin', ain't nobody cryin'

I said, "Everyday, everyday I have the blues"
Oh baby, night and day I have the blues
Because, it's you, nobody else I hate to lose

Everyday I have the blues, I have, hit me now
I got the blues, it's you, lil' girl, I hate to woah

Gonna pack up, get my grip, hat and move
Oh God that yeah got my hat, my grip, my shoes
I'm goin' on down that line, ain't nobody runnin'
Everybody shoutin' they should be cryin' they should be
woah

Everyday, everyday I have the blues oh, oh
Everyday na, na, na I have the blues
It's you little girl, I hate to, yeah

Come on, come on, don't, don't yeah, yeah, don't, yeah
Yeah, yeah, hey, hey, hey, hey, yeah, baby
Wow, wow hey, hey, hey, hey
